Thursday, November 20, 2014
Team members: Zulsar Batmunkh, Saadiyah Husnoo
                    Jonathan Lim, Dana Mukusheva

Agenda

1. Demo our app: show functionality and user-app interactions
2. Discuss design decisions: single database (no testing database), removed Venmo related code (since it can be added later easily as all legal issues are all resolved)
3. Get feedback on the overall app and potential improvements
